

Ref No : GENCO 099/2021

June 29, 2021

To: President
The Stock Exchange of Thailand

Subject : Signing the memorandum of agreement (MOA) associated with operations according to the term of reference in the MOU on academic affairs, technological research, and innovation of the cannabis cultivation for medical and commercial purpose program

Genco Medical Company Limited, a subsidiary within General Environmental Conservation Public Company Limited's group of companies (GENCO), would like to report the memorandum of agreement (MOA) associated with operations according to the term of reference in the memorandum of understanding on academic affairs, technological research, and innovation of the cannabis cultivation for medical and commercial purpose program between GENCO Medical Co., Ltd and Pathumthong Community Enterprise and the faculty of Science and Technology, Rajamangala University of Technology Phra Nakhon on June 29, 2021

Such memorandum of agreement is to jointly study, research and develop the production (cultivation and extraction) of pure essence as well as products related to "cannabis", a narcotic plant with medical and herbal benefits, for patient treatment and medical treatment including Thai traditional medicine and alternative medicine. This includes the commercial production and distribution under applicable laws, regulations, stipulations, directives, customs and organizational policies in a legal and righteous way. The term of the memorandum of agreement is 5 years, and the project will be summarized and evaluated on a yearly basis.

Please be informed accordingly.

Yours sincerely,

Mr. Burin Amornpichit
Managing Director
